

# **Rental Policy and Application**

## **Camp Rental Policy**

The facilities at Clearview Christian Camp are available for rental by other groups in addition to our primary summer program. This document outlines the facilities available for use, policies governing their use and procedures to follow while using the camp.

### **Facilities**

The camp consist of a large mess hall with kitchen, 6 cabinets for kids/families which will sleep 14-16 in each, 4 staff cabins for sleeping 2-4, and 1 other building that can be used as class/meeting room. There is a bathroom facility with running water and showers.

There is also a large athletic pad that can be used to play a variety of sports, a large open field to play sports like soccer and football, a fire pit area, and horse shoe pits.

## **Rates and Responsibilities**

## Deposit

At the time of the reservation, a deposit of \$200 (cheque or cash) is required to guarantee the rental. A full refund will be issued at the end of the rental should there be no cancellation. In the event of a cancellation the deposit will not be refunded. This is not a damage deposit; any damages will be noted in the report and charged to your rental.

## **Daily Rates**

For the renting of the camp, a fee of \$12 per day will be charged per person. This fee provides the group with access to the buildings and equipment of our facility but does not include food. All food must be provided and prepared by the renting group. At the discretion of the board, each rental will be provided with a board appointed maintenance person for the duration of the rental. This person will be available to answer any questions, deal with any maintenance issues, etc. that arise during the course of your rental. The cost of having this person is covered in your rental fee. For insurance purposes, each family or individual must pay directly to Clearview Christian Camp. This money should be collected and sent with board member at check-out. If this does not happen, an invoice will be issued for payment.

## Check In/Check Out

Unless otherwise agreed upon, check in will be at 5:00pm on the first day of the rental. Check out will be at 2:00pm on the last day of the rental. Before camping begins, a walkthrough will be done by a representative of the camp along with someone from the renting group. Here, they will assess the condition and cleanliness of the camp and will make note of any preexisting damage so that the renting group will not be held liable for damage not of their doing. After the renting group has finished camping, another walkthrough will be done and those results will be compared to the initial walkthrough.

#### **Responsibilities**

Our rental rates are based on the expectation that groups will leave the camp as clean as it was during the check-in. The check-in/check-out checklist can be found at the camp. If the camp is left in an untidy manner, then a fee will be added to the rental cost. The amount of the fee will be dependent on the amount of cleanup required. Any damage above normal wear and tear

will be added to the rental cost. If the camp is left in as good/better shape than when the renting group arrived and there is no damage beyond normal wear and tear, no additional fees will be charged.

#### What You Need to Bring

For rental groups, the camp provides the use of our facilities, as well as propane, power, water, septic and kitchen accessories (i.e. pots, pans, silverware, etc.) You will need to bring your own cleaning supplies, toilet paper, paper towel, food, baking supplies, etc. If there is firewood cut, you may use it, however we cannot guarantee there will be cut firewood available.
